

FINISH COLOR MATCHING:

Different wood species offer unique texture and grain. Minor variations in finish color may occur due to the natural characteristics of wood. Paoli carefully selects all material used in every product insuring a commercially acceptable color and finish.

CUSTOM FINISHES

Custom finishes can be done for an upcharge. A 3" x 3" sample must be sent to customer service for approval and a quote.

VENEER:

Genuine flat sliced slip matched cherry or slip matched maple veneers, selectively slip matched on all surfaces to provide proper consistency.

TOPS:

The Chambers top features 5 ply balanced panel construction with solid hardwood edges with butt corners on DP tops; all other tops are flat on ends.

Top thickness $1\frac{3}{16}$ "

CHASSIS CONSTRUCTION:

All units are reinforced with hardwood cleats and glued to end panels and modesty panels. All base units have adjustable leveling glides to compensate for uneven floor surfaces.

DRAWER CONSTRUCTION:

Four corner dovetailed box and file drawers are built as separate units for strength and durability. All drawers are finished with a three-step catalyzed varnish finish to seal the grain and provide a smooth inner surface. Drawers are built with $\frac{7}{16}$ " wood sides and $\frac{3}{16}$ " wood bottoms. Drawer front is book matched cherry or slip matched maple veneer and is attached separately.

DRAWER SUSPENSION:

File drawers utilize a heavy duty full extension metal ball bearing slide for smooth operation. Box drawers operate on full extension slides allowing full access to the drawer.

FILE DRAWERS:

File drawers come with a heavy duty metal filing system. Letter width file drawers and Credenzas accommodate letter or legal filing.

LOCKING:

Pedestal locking is standard on all desks, credenzas, and returns.

DRAWER HARDWARE:

Drawer pulls BV and TB are available in black or brass and drawer pull SL is only available in black.

FINISH:

Paoli's multi-step catalyzed varnish utilizes the latest in technology. The superior strength of Paoli's tech-age finish provides enhanced stain and mar resistance for lasting beauty and easy maintenance. Chambers is available in Light Cherry, Cordovan Cherry, Traditional Cherry, Mahogany on Cherry, Golden Cherry, Natural Maple, Golden Maple finishes.

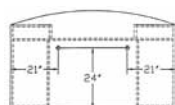

EZ Options:

Transitional Edge, SL Matte Black (SLMB) Pulls, Box/Box/File Pedestal, Wood Doors, No Grommets and Standard Lock Key

GROMMETS:

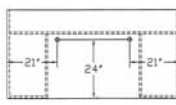

Optional grommets - \$100 retail upcharge. Line drawings shown below show standard grommet placement.

Paoli Lock Core Matte Black	P-PCMB	\$ 12				1	.10
EZ : P-PC__X__T							
Specify Key Number							
Master Key	P-PMK	\$ 5				1	.10
Change Key	P-PCK	\$ 10				1	.10

Key numbers available for locks are X100T-X125T. Please calculate the total number of locks you need to order. Then calculate how many must be keyed alike. Select the same key number for each of the locks you would like to be keyed alike. For example, if you need 15 locks ordered for your office with five keyed alike for one office and 10 keyed alike for another office, it would look like this:
5 - P-PCMB.X101T, 10 - P-PCMB.X102T

Finishes

Cordovan Cherry	CC
Golden Cherry	GC
Light Cherry	LC
Mahogany on Cherry	HC
Traditional Cherry	TC
Golden Maple	GM
Natural Maple	NM
