

TOPS:

Low Pressure Laminate (LPL): Kindle LPL tops are 1 3/16" thick and feature a 3 ply balanced panel construction with 3mm PVC banded edges. Desk tops feature the selected edge detail on the approach as well as the user side. All other edges are 3MM soft edge profile (SO). Credenza, return and bridge tops have the selected edge detail on user side only, with all other edges 3MM soft edge profile (SO).

High Pressure Laminate (HPL): Kindle HPL tops are 1 3/16" thick and feature a 3 ply balanced panel construction with 3mm PVC banded edges. Desk tops feature the selected edge detail on the approach as well as the user side. All other edges are 3MM soft edge profile (SO). Credenza, return and bridge tops have the selected edge detail on user side only, with all other edges 3MM soft edge profile (SO).

Veneer: Kindle veneer tops are 1 3/16" thick and feature a 5 ply balanced panel constructions with internal solid hardwood edges. Desk tops feature a lumber band and the selected edge detail on the approach as well as the user side. All other edges are self profiled. Credenza, return and bridge tops have a lumber band and the selected edge detail on user side only, with all other edges self profiled.

Edges

Low Pressure Laminate (LPL) or High Pressure Laminate (HPL) Tops: 3MM PVC with Ridge, Soft or I Beam profiles. Veneer Tops: Internal hardwood edge with Ridge, Soft or I Beam profiles.

MATERIALS / FINISHES:

Thermally fused LPL laminate available in Light Cherry, Cordovan Cherry, Golden Cherry, Java Cherry, Shaker Cherry, Clear Maple, Harvest Maple, Huntington Maple, Brighton Walnut, Empire Walnut, Columbian Walnut, Harbor Teak, Platinum, White, Charcoal, Grey Cloud and Monterey Beige. **Top option only:** Desert Zephyr, Canyon Zephyr, Twilight Zephyr, Sheer Mesh and Steel Mesh.

High pressure laminate available in Harbor Teak, Java Cherry, Shaker Cherry, Clear Maple, Harvest Maple, Huntington Maple, Brighton Walnut, Empire Walnut, Columbian Walnut, Harbor Teak, Platinum, White, Charcoal, Grey Cloud and Monterey Beige. **Top option only:** Desert Zephyr, Canyon Zephyr, Twilight Zephyr, Sheer Mesh and Steel Mesh.

Laminate units that are wider than 60" will have horizontal grain.

Veneers available in Light Cherry, Cordovan Cherry, Golden Cherry, Java Cherry, Shaker Cherry, Traditional Cherry, Mahogany on Cherry, Natural Cherry, Golden Maple, Natural Maple, Clear Maple, Harvest Maple, Huntington Maple, Traditional Walnut, American Walnut, Brighton Walnut, Empire Walnut and Columbian Walnut.

**Program**

Kindle is available for the in2 program with all Cherry & Maple Veneer finishes, as well as LPL and HPL Cherry, Maple and Brighton, Columbian & Empire Walnut finishes.

TOP SUPPORT:

Maximum unsupported span should NOT exceed 48". MUST add additional support for longer spans

CHASSIS CONSTRUCTION:

All units are reinforced with cams, dowels, metal brackets and hardwood cleats. All base units have adjustable leveling glides to compensate for uneven floor surfaces. Drawer fronts are full overlay.

DRAWER CONSTRUCTION TYPE:

Drawer fronts are attached separately to the fully assembled drawer boxes. Drawer fronts are available in laminate or veneer. Cherry and Maple Veneer are slip matched. Walnut Veneer is book matched.

Standard construction: four sided, vinyl wrapped - miter folder box.

Optional construction: four corner, English dovetailed wood box. Finished with three-step catalyzed varnish to seal the grain and provide a smoother inner surface. Drawers are built with 7/16" wood sides and 3/16" wood bottoms.

DRAWER SUSPENSION:

File drawers utilize a heavy duty full extension metal ball bearing slide for smooth operation. Box drawers operate on full extension slides allowing complete access to the drawer.

FILE DRAWERS:

File drawers ship with a filing system. Letter width file drawers accommodate letter or legal filing.

LOCKING:

Pedestal locking is standard on desks, credenzas and returns.

continued on next page

DRAWER HARDWARE:

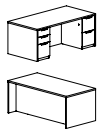

Six hardware styles are available in Matte Chrome finish. Specify style and finish when ordering.

Hinges

Hinges are European style and are easily adjustable in the field.

OPTIONS:

Kindle desks are full pedestals. Kindle is available as assembled components, shells or modular components.

"F" designates a recessed modesty panel with full pedestal

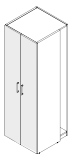

An "S" in front of the material designation indicates a step modesty panel with full pedestal

Tackboard Options

STD = Standard - no upcharge

WMG= Wire Management

Tackboard is offset 3/8" to enable users to run cords, both vertically and horizontally. Upholstery panels are attached with an easy to remove/reattach system that allows users to access cords, if necessary.

TRW= Tackboard with Toolbar

Toolbar is centrally located between two sections of the tackboard, and can accommodate various accessory units. Tackboard is offset 3/8" to enable users to run cords, both vertically and horizontally. Upholstery panels are attached with an easy to remove/reattach system that allows users to access cords, if necessary.

Change Key

P-PCK	\$ 10	1	.10
--------------	-------	---	-----

Key numbers available for locks are X100T-X125T. Please calculate the total number of locks you need to order. Then calculate how many must be keyed alike. Select the same key number for each of the locks you would like to be keyed alike. For example, if you need 15 locks ordered for your office with five keyed alike for one office and 10 keyed alike for another office, it would look like this: 5 - P-PCMB.X101T, 10 - P-PCMB.X102T
