

FINISH COLOR MATCHING:

Different wood species offer unique texture and grain. Minor variations in finish color may occur due to the natural characteristics of wood. Paoli carefully selects all material used in every product insuring a commercially acceptable color and finish.

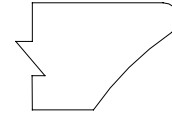

CUSTOM FINISHES

Custom finishes can be done for an upcharge. A 3" x 3" sample must be sent to customer service for approval and a quote.

VENEER:

Genuine flat sliced cherry veneers, selectively book matched to provide proper consistency.

Edge Detail

TOPS:

Tops are select figured maple inlays with quartered cherry borders separated by 3/16" ebony inlay. Edges are solid hardwood with butt corners. Top thickness 1 1/4"

CHASSIS CONSTRUCTION:

All Prominence chassis feature tenon and groove construction with solid hardwood parting rails. The chassis is reinforced with solid hardwood cleats screwed to the top, pedestal ends and modesty panel. All base units have adjustable leveling guides to compensate for uneven floor surfaces.

DRAWER CONSTRUCTION:

Four corner dovetailed box and file drawers are built as separate units for strength and durability. All drawers are finished with a 3 step catalyzed varnish finish to seal the grain and provide a smooth inner surface. Drawers are built with 7/16" wood sides and 3/16" wood bottoms, drawer fronts are book matched cherry veneers and attached separately.

DRAWER SUSPENSION:

File drawers utilize a heavy duty full extension metal ball bearing slide for smooth operation. Box drawers operate on full extension slides.

LOCKING:

Pedestal locks are standard on all desks, credenzas and returns.

FILE DRAWERS:

Legal width file drawers accommodate letter or legal filing. File drawers feature heavy duty metal filing systems.

DRAWER HARDWARE:

Drawer pulls are satin nickel.

FINISH:

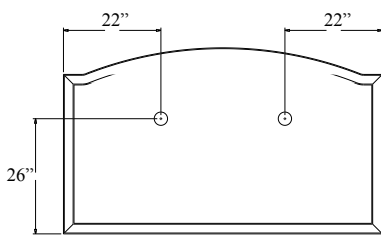

Paoli's multi-step catalyzed varnish utilizes the latest in technology. The superior strength of Paoli's tech-age finish provides enhanced stain and mar resistance for lasting beauty and easy maintenance. Prominence is available in Light Cherry, Cordovan Cherry, Traditional Cherry, Mahogany on Cherry, Golden Cherry, Java Cherry, Shaker Cherry and Natural Cherry finishes.

Key numbers available for locks are X100T-X125T. Please calculate the total number of locks you need to order. Then calculate how many must be keyed alike. Select the same key number for each of the locks you would like to be keyed alike. For example, if you need 15 locks ordered for your office with five keyed alike for one office and 10 keyed alike for another office, it would look like this: 5 - P-PCMB.X101T, 10 - P-PCMB.X102T
