

FINISH COLOR MATCHING:

Different wood species offer unique texture and grain. Minor variations in finish color may occur due to the natural characteristics of wood. Paoli carefully selects all material used in every product insuring a commercially acceptable color and finish.

CUSTOM FINISHES

Custom finishes can be done for an upcharge. A 3" x 3" sample must be sent to customer service for approval and a quote.

VENEER:

Genuine flat sliced slip matched cherry veneer, selectively matched on all surfaces to provide proper consistency.

TOPS:

The Reflect top features 3 ply balanced panel construction with a traditional edge profile. Desks and Table Desks have a complimentary Ogee edge on the approach side. Top thickness 1³/₁₆"

CHASSIS CONSTRUCTION:

Chassis features a tenon and groove construction with solid hardwood parting rails. All units are reinforced with hardwood cleats and glued to end panels and modesty panels. All base units have adjustable leveling glides to compensate for uneven floor surfaces. Units are constructed for reconfigurable solutions.

DRAWER CONSTRUCTION:

Four sided, vinyl wrapped box with drawer front attached separately. Drawer fronts are book matched cherry veneer.

DRAWER SUSPENSION:

File drawers utilize a heavy duty full extension metal ball bearing slide for smooth operation. Box drawers operate on full extension slides allowing complete access to the drawer.

FILE DRAWERS:

File drawers ship with a filing system. Letter width file drawers accommodate letter or legal filing.

LOCKING:

Pedestal locking is standard on desks, credenzas and returns.

DRAWER HARDWARE:

Three hardware styles are available in English Antique Brass, Matte Chrome or a Matte Black finish. Pulls are shipped fully assembled. Specify style and finish when ordering.

FINISH:

Paoli's multi-step catalyzed varnish utilizes the latest technology. The superior strength of Paoli's tech-age finish provides enhanced stain and mar resistance for lasting beauty and easy maintenance. Reflect is available in Java Cherry, Shaker Cherry, Natural Cherry, Light Cherry, Cordovan Cherry, Mahogany on Cherry, Traditional Cherry and Golden Cherry finishes. All items shipped in low luster pearl.

EZ Options:

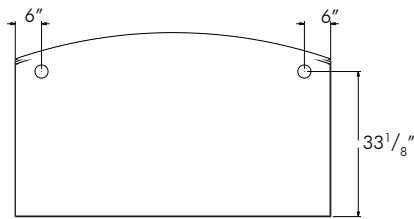

Low Luster Sheen, TDAB Antique Brass Pulls, Box/Box/File Pedestal, Glass Doors, No Grommets, Parliament Molding and Standard Lock Key

Key numbers available for locks are X100T-X125T. Please calculate the total number of locks you need to order. Then calculate how many must be keyed alike. Select the same key number for each of the locks you would like to be keyed alike. For example, if you need 15 locks ordered for your office with five keyed alike for one office and 10 keyed alike for another office, it would look like this:

5 - P-PCMB.X101T, 10 - P-PCMB.X102T

Specify selections, left to right:
