

LAMINATE DESK NOTES

The following applies to all series EXCEPT the Bridges II, Princeton and StreamLINE series.

For information on the Bridges II series, please refer to page 340, for the Princeton series, please refer to page 105 and for the Streamline II series, please refer to page 308.

- Outside and surface panels are made from 1" thick 45 lb. density particle board and covered on both sides with high performance thermally fused laminate. Modesty panels are 11/16" thick.
- **BOX AND FILE DRAWERS** use FULL EXTENSION STEEL BALL BEARING SLIDES for smooth action.
- **BOX AND FILE PEDESTALS** are standard and are CONSTRUCTED INDEPENDENTLY of the chassis, with fully closed bottoms. This PICTURE FRAME CONSTRUCTION technique prevents racking, and provides a product that lasts for years.
- **FILE DRAWERS** file both legal and letter documents as standard (LETTER FILES will file in BOTH DIRECTIONS, as will LATERAL FILES), except 15"w Zira units (side to side only).
- Drawers and END PANELS are **EDGE BANDED** on ALL FOUR SIDES to protect clothing and the floor covering.
- Locks are standard on all box and file pedestals, lateral files, storage cabinets and combination storage units.
- All locking components within each series can be keyed alike at no additional charge. Please specify the request at time of ordering.
- Drawers are opened with side pulls and are constructed 22" deep (Genoa and Halton 18"D) using French dovetail joints at the front and lap joints at the rear. Woodgrain enameled bottoms are routed into the woodgrain (MDF) sides on three edges.
- Full to the floor pedestal configurations can be switched for a **15% upcharge** (Adaptabilities, Correlation and Halton series ONLY).
- Pencil tray included with each desk.
- **LEVELING GLIDES** are standard on ALL UNITS.
- All units are **shipped fully assembled** (except where noted) on 1" x 3" thick wood furniture skids with pedestal supports inside high quality cartons.
- **ALL "L" SHAPED DESKS** have flush backs on the return (modesty panels).
- Additional options available include (add suffix to item number):
FM = Full modesty panel. Available on any desk or credenza. **ADD \$51.** (Standard on Adaptabilities, Correlation & Zira Series).
- Desks with FULL TO FLOOR pedestals CANNOT have ¾ modesty panels.
- Corners must have matching modesty panels (both sides must be either ¾ or full modesty panels).
- **Modesty panels** on CORNERS will be 1" above the floor; **Modesty panels** on RETURNS are flush with the floor. It is recommended that corner units are used for corner spaces when configuring workstations so there is no visible difference if a corner is connected to a return.
- Optional grommets are available. **SEE EACH SERIES** for details. **ADD \$65.**
- Global Furniture Group will consider custom, specials and product alterations on an individual basis.
- Desk series can only be made in **Standard Global Laminates**.
- **PLEASE REFER TO SERIES FOR FINISHES AVAILABLE.** The following desk finishes are offered:

WOODGRAINS:

Absolute Acajou (ACJ)	Asian Night (ASN)	Avant Cherry (AWC)
Avant Honey (AWH)	Clear Maple (CMB)	Dark Espresso (DES)
