Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Plant.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

* Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

GENERAL INFORMATION + CONDITIONS OF SALE

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered 1/3 by the carrier and 2/3 by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGAs for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a \$300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a \$600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than \$2000 (net value, product only) will be assessed a small order fee of \$200 Net per shipment. This fee will be waived for items shipped via small package carriers.
