Healthcare Furniture
Solutions

Lacasse presents Harmoniä, a complete offering of evolutive furniture solutions designed and manufactured with exceptional care to cover the full needs of healthcare establishments, from hospitals to long-term care facilities and clinics of all types. Waiting areas, patient rooms, nursing stations, whatever the application, our modular approach allows for fast and easy configuration and reconfiguration.

The nursing station illustrated below is a remarkable example of this modularity concept. This sturdy furniture solution can be moved, expanded on and reconfigured for multiple nursing environments.

EXPERIENCE THE CARE

ADA* reception counter with rounded corners allows easy wheelchair access.

Rectangular surface mounted on proprietary supports for easy creation of work spaces.

Reception modules can receive a cove molding option for strict clean area requirements.

Wall-mounted return surfaces for improved collaborative work and easy maintenance.
